

MOULIKA ALLAM

📍 Vijayawada, Andhra Pradesh, India ✉️ moulikaallam2004@gmail.com ☎️ +917416950436 🌐 in/moulikaallam

SUMMARY

Motivated fresher with a strong foundation in computer science, programming, and technical communication. Eager to contribute analytical and problem-solving skills to software engineering projects.

PROJECTS

SAS Project Analysis on Exercise and Fitness Metrics

- Collected and integrated large datasets from various sources.
- Applied advanced statistical methods like correlation analysis, regression analysis, and data visualization to analyze the data.
- Created scatter plots, histograms, and box plots to visualize the data and identify any patterns or trends, demonstrating the ability to communicate findings effectively.

Travel Website

github.com/Moulikaallam/Travel-Website.git

- Developed a responsive travel website utilizing HTML, CSS, and JavaScript to enhance user booking experience.
- Managed source code and version control using Git to track changes and maintain efficient project history.
- Tested and optimized web layout across multiple browsers to ensure seamless responsiveness.

EDUCATION

B.Sc (MScS)

K.B.N College • May 2024 • 7.52

- Completed coursework in Computer Science, Mathematics, and Statistics.

MEC

S.D.M.Siddhartha Mahila Kalasala • April 2021

CERTIFICATIONS

Data Analytics
